

Getting Ready for the Test

Stay positive before the test. You can do it!

Use these test taking strategies:

- Read all directions and titles
- Read the entire question
- Determine what is being asked
- Reread the question if you need to
- Identify key clue words
 - *Watch out for the word "not" in the question
- Select a strategy to solve or answer the question
- Think through your solution
- Eliminate choices you know are incorrect
- Select the best answer
- Go back and check your work

Relax and just do your best!

 Whether you think you can, or you think you can't—you're right
